

SPIRITUAL PRINCIPALS #8

Gnosis or Direct Knowledge/

"The Truth Within"

What if truth can't be taught... only remembered?

We'll explore the ancient and empowering concept of Gnosis—direct knowledge of the Divine that bypasses doctrine, dogma, and secondhand belief.

Gnosis is not about believing in God—it's about experiencing God within. It's the inner knowing that awakens when we silence the noise of religious conditioning and tune into the still, sacred voice of truth already living inside us.

Gnosis was central to the early Christ teachings—before organized religion began filtering divine wisdom through hierarchy and fear. This episode calls us back to a pure, unmediated connection with Source, rooted in love, not judgment.
