COMMUNITY SUPERVISION AI ACTION PLAN:

A FOUR STEP APPROACH FOR LEADERS

Session Roadmap:

STEP 1: Situational Awareness

Understand your Operating Environment

- Regulatory, Legal & Technical Restrictions
- Partners
- Workforce and Culture

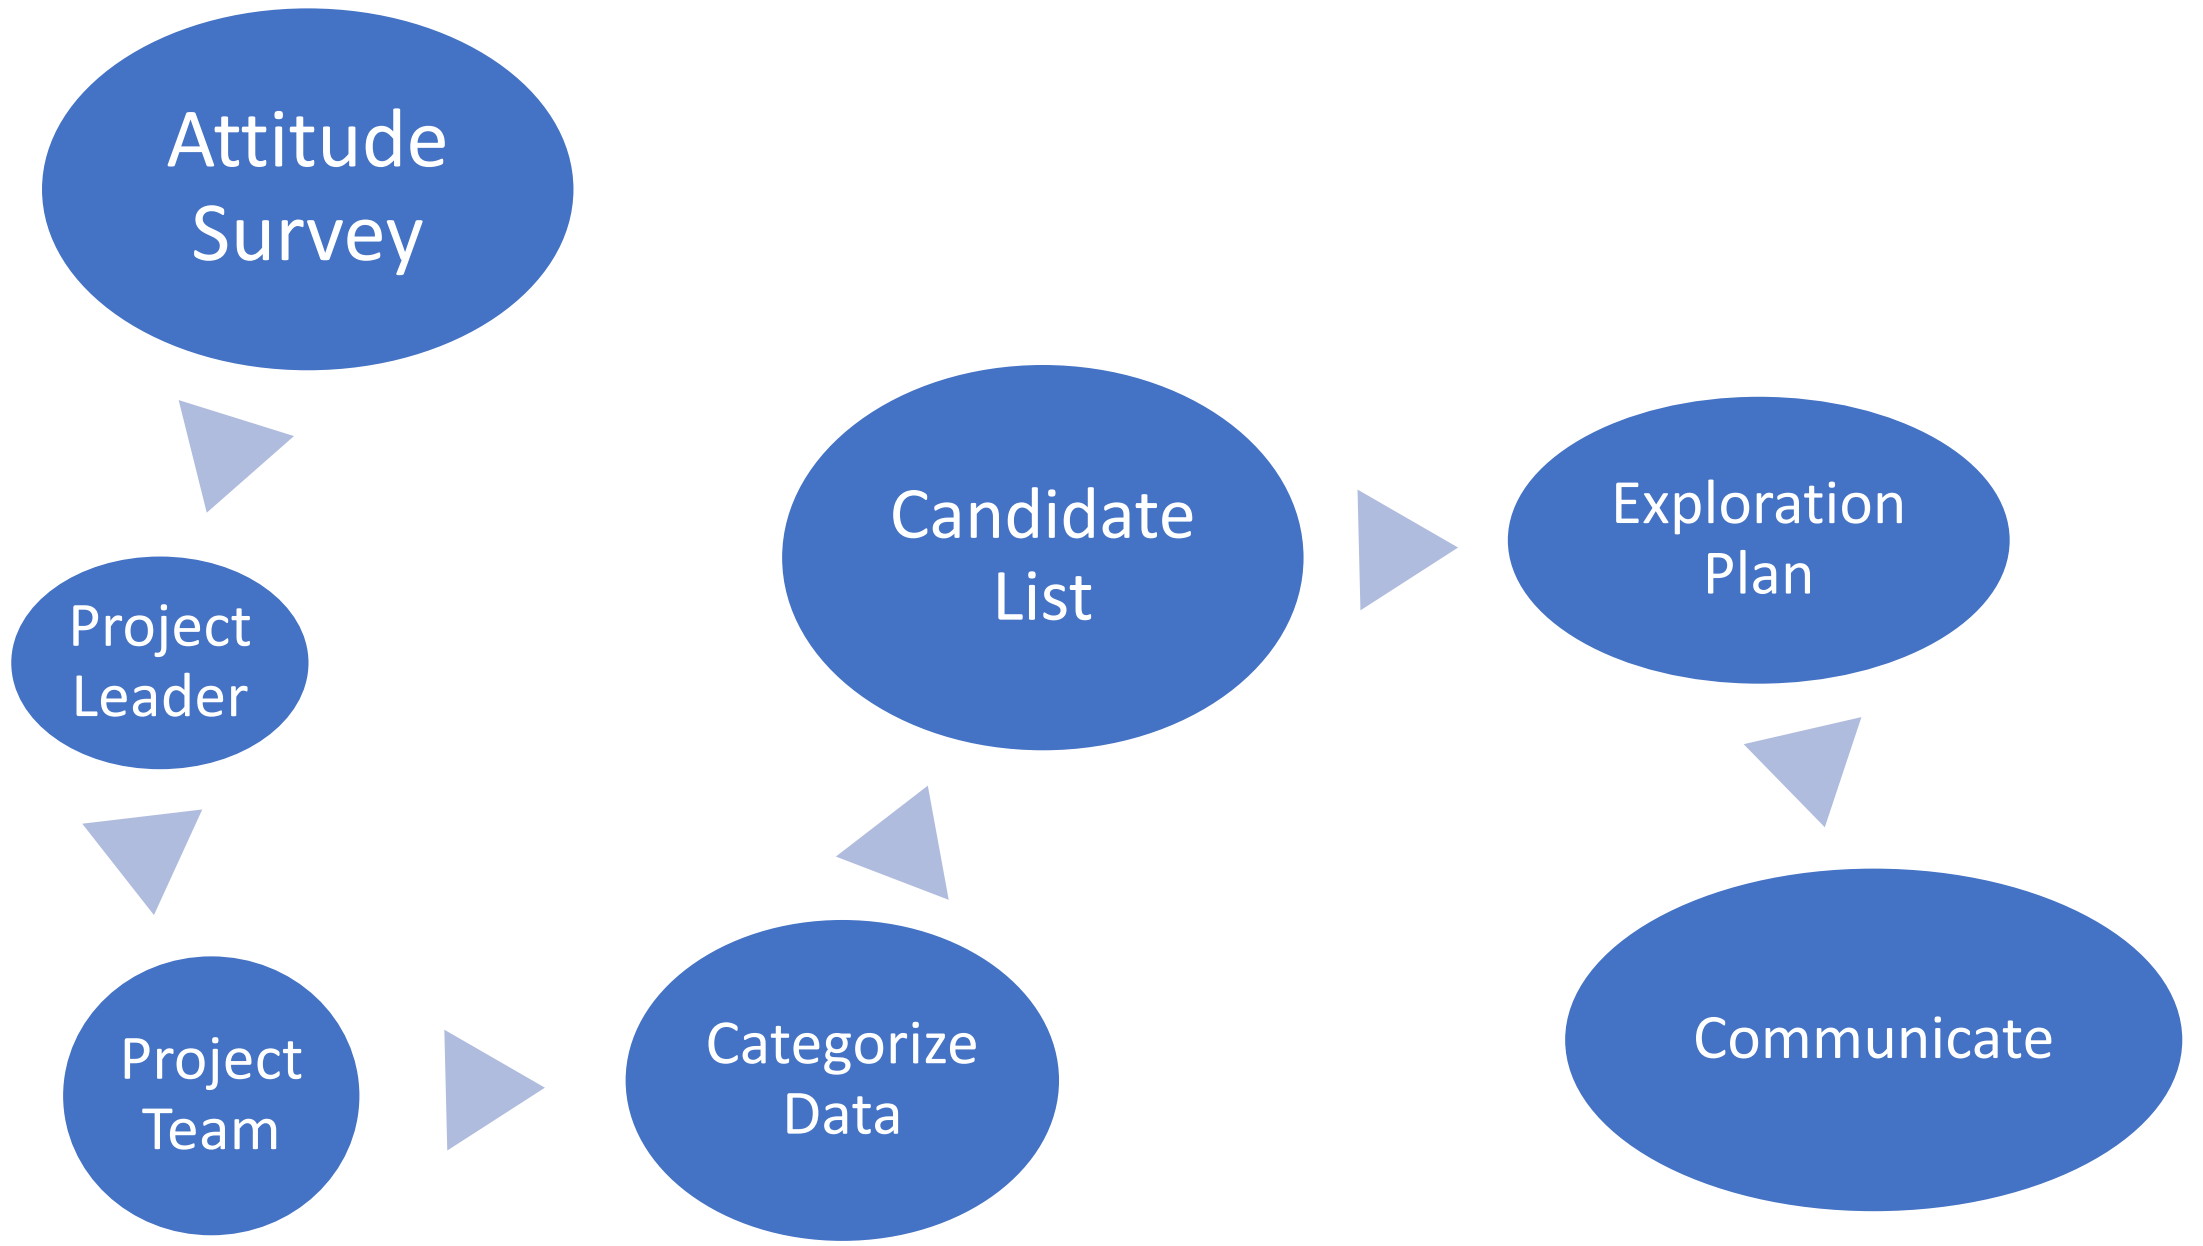

Before you engage with your staff

STEP 2: Plan for a Plan

Engage Your Team

- Understand their appetite

What might actually help your staff?

STEP 3: Experiment

Start!

- Execute – with deadlines
- Track and Present Results
- Evaluate Experiments

- Intentional Learning
- Frame results as user benefits

- Iteration

Story telling

STEP 4: Implementation Plan & Policy

Build the Plan!

- Priorities
- Sequencing
- Scaling
- Manage Expectations

Getting Real

Start!!

If you don't lead,
someone else will lead for you
