

## **SPIRITUAL PRINCIPALS #9**

### **Two Gods?**

#### **“Which do you Worship”**

Is the God of the Old Testament—the lawgiver, the punisher, the distant authority—the same as the God revealed in the New Testament through Jesus: the embodiment of love, forgiveness, and grace?

In this powerful and controversial episode of Exploring Spiritual Principles, David Hulse and Randall Loop examine this question through the lens of Gnostic wisdom and metaphysical truth.

The two portrayals of God isn't just literary or cultural—it's energetic. Gnostic teachings suggest that humanity has been influenced by two very different conceptions of divinity: one based on fear and separation, the other on love and union.

This conversation invites you to move beyond inherited religious filters and step into a new (yet ancient) understanding of the Divine that is inclusive, compassionate, and alive within you now.
