### **Original Sin or Original Blessing...**

#### **“Reclaiming Your Divine Birthright”**

In this soul-stirring episode of Exploring Spiritual Principles, David Hulse and Randall Loop take on one of religion’s most deeply embedded doctrines: Original Sin.

For centuries, we’ve been told that we entered this world broken, flawed, and in need of fixing. But what if that story isn’t the truth of who you are? What if, instead, you were born in Original Blessing—already whole, holy, and beloved?

Take another look at the roots of this ancient belief and how it has shaped generations of shame, guilt, and spiritual disempowerment. Through metaphysical insight and deep scriptural reinterpretation, he reveals how reclaiming your true origin story is essential to awakening your divine potential.
