

Building a community of IP professionals and sharing knowledge through webinars is ***only part*** of what we do at Alt Legal!

A New Generation of Trademark Docketing & Protection Software

- Powerful automation on a global scale
- Daily email updates and calendar sync
- Quick, custom docket reports and USPTO filing tools
- Personalized, fully customizable reporting emails
- Unlimited user access and third-party docket access
- Optional integration with Alt Legal Trademark Protection, our USPTO trademark monitoring tools
- Add Alt Legal Assist to your subscription for premium, flat-fee IP paralegal and docket management services

It's Never Been Easier to Switch!

- Free data migration and cleanup
- Free, unlimited, and personalized training whenever you'd like
- Friendly, knowledgeable customer support available via phone, email, and live chat
- Transparent, easy-to-understand pricing
